

Wharton Future of Cities Conference

APRIL 15TH & 16TH

**Urbanization implications for the
post-COVID world**

PANEL TOPICS

- Rebuilding: Co-living, Co-working and Communal Space post-COVID
- Who is Financing the Rebuild?
- Getting America Back to Work
- Outside the Gateway: The Opportunity for Small and Mid-sized Cities
- Rethinking Urban Mobility
- Urban Energy and How Cities Can Achieve Net Zero

*How can leaders across
business, government, and
academia reimagine
everything from real estate to
transportation with an
increasingly mobile
workforce, a worsening
climate crisis, and a need for
additional inclusivity?*
