

SMALL GROUP FRIDAYS

The WGA is launching a way for you to get to know your classmates and make new friends in smaller group settings.

What are Small Group Fridays?

Every month, one of your classmates will welcome you into their home to have dinner, hangout, and/or participate in a fun group activity. Last year's events included whiskey tasting, sushi, board games, hot pot, wine & cheese, and plenty of home cooking!

Who is Invited?

Everyone! That means that each Small Group Friday event will include a mix of first and second year students. It's a great way to strike up a new friendship over a shared experience or you can invite a friend to go along with you to have a fun night out.

How Can I Learn More?

The WGA will publicize Small Group Fridays throughout the year and provide tickets through CampusGroups. If you are interested in attending or hosting a Small Group Friday, contact Cessna Mac cessna@wharton.upenn.edu
